

This year we have been looking to ensure that the funding is used for sustainable improvements and as such we have

- Employed a PE apprentice and developed the skills and knowledge of our PE TA through the Level 5 course so that they can both support teachers within lessons
- Increased the number of coaches in school to also work alongside teachers to develop their skills and knowledge for increased quality of PE and sport
- Provided more clubs and opportunities for pupils to enter competitions both intra and inter school. (increasing from 6 to 10 level 2 competitions) and gaining gold and silver at level 3 competitions (one more gold than last year)
- Introduced more opportunities at break times to develop increased physical activities for Years 1 to 4 eg 'Run for the Queen,' Wheelie Wednesday, Balance bikes for FS, speedstacking and table tennis all led by the Apprentice and PE TA.
- Developed leadership skills for Year 6 who run the intrahouse competitions for Year 3 and 4 with the aid of the Apprentice
- Improved the number of children leaving Year 6 who can swim 25m to 100%
- Further developed our community links to local clubs
- Attained Silver School Games sports mark and the YST silver mark in July 15
- July 16 attained Gold School Games sports mark

This year the money has been spent as follows -

Training £5,500

Resources £1,000

Participation Support £2,500
